Bill Summaries

H2232: SENTENCING; CRIMINAL RESTITUTION ORDER

The list of circumstances under which a trial court retains jurisdiction of a criminal restitution case is expanded to include ordering and enforcing the manner in which the court-ordered payments are made. Previous language stated the trial court retained jurisdiction only for purposes of modifying payments. The time when the court must enter a restitution order in favor of each person entitled to restitution and in favor of the state for unpaid fees, fines, incarceration costs, assessments, etc., is when the defendant is sentenced rather than either when sentenced or when the defendant completes probation.

First sponsor: Rep. Goodale

General Comments (all lists):

Removes rest. as a prob. tool and interest starts accruing and they may not know the full amt at sentencing.

It is no longer misconduct involving weapons to carry a deadly weapon in a public establishment or at a public event after a request from the operator to remove the weapon for temporary and secure storage. The state, state agencies, and political subdivisions may limit or prohibit firearms in a public establishment or at a public event that is issued a liquor license at times when alcoholic beverages are available for consumption on the premises, with some exceptions. The limit or prohibition must be done with specified signs and meet other requirements.
